POMEGRANATE (IN COOL);
PAPER

BEST FOR: Wallcovering
"The scale of the pattern is fantastic. It looks like a massive hand-painted watercolor is enveloping the room." IDARICA GAZZONI THROUGH HARBINGER: harbingerla.com.

LIDO (IN PACIFIC BLUE); COTTON

BEST FOR: Armchair
"This is not your grandmother's chenille! It's not puffy, it's a tighter weave, and it's a cool color." PETER DUNHAM TEXTILES: peterdunhamtextiles.com.

MORTEFONTAINE (IN GRIS);
COTTON

BEST FOR: Pillow on chair
"We didn't want any florals, except for maybe a pillow. And this was the winner! It's been a favorite for years." CLAREMONT: claremontfurnishing.com.

CLIFDEN (IN INCA); LINEN

BEST FOR: Sofa
"This green is perfection. Not too loud, not too quiet. It's a beautiful, grassy green with wonderful depth." LORO PIANA THROUGH HARBINGER: harbingerla.com.

SERGE ANTIQUE (IN COLOR 175);
RAYON, COTTON

BEST FOR: Sofa pillows
"It's humble and fancy at the same time. The solid color keeps the focus on the wallpaper." CLAREMONT: claremontfurnishing.com.

GIGI BLUE; LINEN

BEST FOR: Woven club chair and sofa pillow
"Modern and graphic. It plays against the more traditional elements in the room." TULU TEXTILES: tulutextiles.com.

MOROCCAN SUMACK; HEMP

BEST FOR: Rug
"This is a great alternative to a plain jute rug. It has a unique geometric pattern woven in a heathered aubergine color." 27 GROUND: 27ground.com.

SAND STRIPE (IN TERRACOTTA);
LINEN

BEST FOR: Dining chairs
"It's an interesting stripe because the lines are not perfectly straight. It looks like it's been hand-painted." GROUNDWORKS: leejofa.com.

KING OF PEARLS (IN GOLD);
LINEN

BEST FOR: Curtains
"A funky, offbeat mix of colors on an unexpected linen voile. Love!" IDARICA GAZZONI THROUGH HARBINGER: harbingerla.com.
